

Emergency Medical Service Cheltenham Township

8230 Old York Road | Elkins Park, PA 19027-1589

EMERGENCY: 9-1-1 (when you need us)

Dear Neighbors and Members:

2020 has been a challenging year for all of us, including the dedicated men and women committed to serving Cheltenham Township via the Emergency Medical Services (EMS). As they have for the past 39 years, EMS trained and certified personnel have risen to the challenge, continuing to respond to calls during the COVID-19 pandemic, civil unrest and multiple severe weather incidents.

Once a year, we ask for your support of EMS through our subscriber program. EMS membership provides exceptional value and protection. It's an inexpensive 'insurance policy,' that helps you minimize, even eliminate all out-of-pocket expenses, no matter how many times you require our services during the subscription year. And it supports an essential Cheltenham Township Service which can't be solely taxpayer funded!

Fact: A single ambulance call can cost \$2,000, which subscribers won't have to pay (billed through your insurance provider).

Annual EMS subscription represents a superior value considering your options:

- \$60 each year for a family or \$50 for a senior couple
- \$40 for an individual or \$25 for a senior citizen (over 65)

As you prepare to make this commitment, please consider being even more generous by making donations beyond the membership fees to support both the EMS and every Township resident requiring Emergency Services when confronted with an unexpected health challenge.

For your convenience, your subscription and any donations can be paid by check, or paid by credit card online at: ***www.CheltenhamTownship.org*** by accessing, "I Want to... » Pay » EMS Subscriber Fee and/or Donation". You can even use your cell phone to link to the Quick Response (QR) Code below to directly access the Subscription page.

Please complete the enclosed subscription card with the names of all members of your household and mail it to us *even if you pay online*. And don't forget to sign your card!

Until you've experienced the need to call 911 and get yourself or a loved one attended to and transported to a nearby hospital, you don't realize how valuable this service can be!

Thanks for considering and hopefully acting for yourself, your family and our community.

Best wishes for a happy, safe and healthy 2021,

The Management and Staff of Cheltenham EMS

Business: 215-887-5925 or 215-887-6200, ext. 555
