- Underground Storage Facilities with Infiltration (up to 35%)
- Riparian Buffer Preservation (up to 40%)
- Wooded Lot (15%)

**Attach Documentation**

Attach any supporting documentation as separate sheets. Include available drawings/sketches/plans pertaining to structural credits, including portion of the property's impervious area captured by the stormwater management facility. For Riparian Buffer Preservation credits, provide a photo of the buffer area and a drawing/sketch/plan showing the parcel and buffer area with dimensions of buffer area. For a Wooded Lot credit, provide listing of viable trees on the lot of at least 6 inches diameter (measured 4.5 feet above ground) and total lot size to demonstrate the lot is a Wooded Lot; include a drawing/sketch/plan or photos showing the trees on the lot.

**Please note that:**

- 1) The maximum combined credit available is fifty percent (50%) of the Stormwater Management Fee, regardless of the number of credits for which the property is eligible.
- 2) Each credit may be approved up to the maximum per-credit value indicated, but the actual per-credit value approved may vary depending on BMP coverage and may not match the maximum amount.
