7. **PUBLIC HEARING:** At 8:14 p.m., Mr. Simon announced a Public Hearing to receive any and all comments and suggestions from the public regarding the Preliminary Operating and Capital Budgets for 2017, pursuant to Section 1205(d) of the Home Rule Charter, and turned the hearing over to Mr. Bagley. Mr. Bagley read the following exhibits into the record:

- Exhibit T-1: Public Notice advertised in the *Times Chronicle* on November 27, 2016.
- Exhibit T-2: Public Notice advertised in the *Times Chronicle* on December 4, 2016.

Mr. Bagley asked for public comment on the proposed ordinances. Seeing that there were no individuals who wanted to speak on the matter, he advised Mr. Simon to close the hearing and return to the regularly-scheduled meeting of the Board of Commissioners. Mr. Simon closed the Public Hearing at 8:17 p.m.

8. Review and acceptance of the Public Works Committee Regular Meeting Minutes dated December 7, 2016:

Mr. Sharkey thanked the Publics Work Department and Mr. Clewell for all their hard work this year. Mr. Sharkey also thanked Mr. Bob Dominick for the decorations in Curtis Hall.

- Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved the Milling and Paving Program for 2017 and 2018.
- Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved the adoption of **Ordinance #2336-16** amending Chapter 238, Sewers, of the Cheltenham Township Code regulating private sanitary sewer laterals and prohibiting the introduction of extraneous water to the sanitary sewer system (see attached).

Mr. Sharkey stated that this ordinance is part one of a two part program. This ordinance authorizes the Township to inspect sewer laterals. The second part of the program is anticipated to be considered sometime in 2017 and will involve repairing and/or replacing damaged or defective laterals. Community meetings will be held when the Township is ready to move forward with the second part of the program. Mr. Simon also noted that this ordinance is a follow up to a relatively more restrictive ordinance prohibiting the introduction of extraneous water into the sanitary sewer system. This ordinance is effective immediately.

- c. Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved **Resolution #100-16** establishing regulations for property owners who pursue independent sewer lateral inspections (see attached).
- d. Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved **Resolution # 101-16** granting waivers and conditional approval of CTDA #16-05, SSBS Properties Subdivision Plan for 546-552 Township Line Road (see attached).

Mr. Sharkey asked Mr. Sekawungu if he received a letter from the applicant agreeing to the Township Engineer's letter regarding the recommended conditions of approval. Mr. Sekawungu confirmed a letter was received.

- e. Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved the issuance of a Certificate of Appropriateness for Application L16-178, of Mr. Lorenzo Gillette for the installation of a new roof on the located property at 1707 West Cheltenham Avenue, La Mott, PA 19027.
- f. Upon motion of Mr. Sharkey, the Board of Commissioners unanimously approved the advertisement of the Board of Commissioners' intent to hold a Public Hearing to consider and possibly adopt an Ordinance amending Chapter 295, Zoning, Article XX, HD Historic District, of the Cheltenham Township Code revising the permit procedure in historic districts at its regularly-scheduled meeting on January 18, 2017.
- g. Upon motion of Mr. Sharkey, the Board of Commissioners approved by a 6-1 vote, the selection of the 3000k LED color temperature for cobrahead and decorative streetlights throughout the Township as part of the LED Light Conversion Project. (Ayes: Brockington, Norris, Pransky, Rappoport, Simon, Holland. Nays: Sharkey).

Mr. Sharkey noted for the record that he is not against the LED Light Conversion project; however, he said the Board of Commissioners should have followed staff's recommendation regarding the lights selection. Mr. Sharkey also took a minute to thank the Public Works Committee, including Mike Fleming, Chris Clewell and the team for everything they have done, including the leaf collection.

Upon motion of Mr. Sharkey, the Board of Commissioners unanimously accepted the Public Works Committee meeting minutes of December 7, 2016.

9. Review and acceptance of the Building and Zoning Committee meeting minutes dated December 7, 2016.

- a. Upon motion by Mr. Simon, the Board of Commissioners by a 4-3 vote, approved the adoption of Ordinance #2337-16 amending Section 5-19.B., "Finance Officer Compensation," of the Cheltenham Township Code, to modify the compensation and benefits of the Elected Finance Officer. (Ayes: Brockington, Holland, Norris, Pransky. Naves: Rappoport, Sharkey, Simon) (see attached).

Mr. Bagley made note that there is a correction on page one of the ordinance 5-19.B. The last words used \$33,500 should be in bold.

**Public Comment:** Maxine Carson, 7 Johns Road, Cheltenham PA, inquired about the doubling of the Finance Officer's salary in the just-adopted ordinance. Mr. Bagley stated that the previous ordinance does not accurately reflect current payment practice for the Finance Officer. The new ordinance accurately reflects current practices and increases the salary by \$2,000. Ms. Carson asked what the salary should be and Mr. Simon stated that the current salary is \$31,500 and will be increased to \$33,500.

Upon motion of Mr. Simon, the Board of Commissioners unanimously accepted the Building and Zoning Committee meeting minutes of December 7, 2016.

10. Review and acceptance of the Public Safety Committee meeting minutes dated December 14, 2016:

- a. Upon motion by Mr. Norris, the Board of Commissioners unanimously approved the adoption of **Ordinance #2338-16** amending Chapter 285, Vehicles and Traffic, to install a handicapped parking sign in front of 142 South Keswick Avenue (see attached).
- b. Upon motion by Mr. Norris, the Board of Commissioners unanimously approved the advertisement of the Board of Commissioners' intent to consider the adoption of an Ordinance Amending Chapter 285, Vehicles and Traffic, of the Cheltenham Township Code to decrease the speed limit on Willow Grove Avenue from 40 mph to 35 mph and to install a handicap parking sign in front of 100 Woodland Avenue at its regularly-scheduled meeting on January 18, 2017.

Mr. Norris wished the Police, Fire and EMS Departments Happy Holidays and a Happy and Healthy New Year and all their hard work in the Township is much appreciated.

Upon motion of Mr. Norris, the Board of Commissioners unanimously accepted the Public Safety Committee meeting minutes of December 14, 2016.

11. Review and acceptance of the Public Affairs Committee meeting minutes dated December 14, 2016:

- a. Upon motion of Ms. Rappoport, the Board of Commissioners unanimously concurred with the Economic Development Task Force's recommendation to support the parking reduction analysis for 129 South Easton Road, Glenside, per §295-221.G.(1) of the Cheltenham Township Zoning Ordinance.
- b. Upon motion of Ms. Rappoport, the Board of Commissioners unanimously approved the adoption of **Resolution #102-16** accepting the Curtis Arboretum Landscape Management Plan (see attached).
- c. Upon motion of Ms. Rappoport, the Board of Commissioners unanimously approved the adoption of **Resolution #103-16** authorizing the filing of a Multimodal Transportation Fund (MTF) PennDOT Grant Application for Elkins Park East Commercial District Streetscape Improvements (see attached).

Ms. Rappoport inquired about the amendment to the budget in the Resolution from the Public Affairs meeting. Ms. Elliott explained that the initial estimate was completed in 2008 and needed to be updated by a registered engineer as part of the grant requirements. The updated budget had not been received in time for the Public Affairs meeting last week. Ms. Rappoport asked if there was enough flexibility in the budget to make adjustments to the project. Ms. Elliott replied in the affirmative.

- d. Upon motion of Ms. Rappoport, the Board of Commissioners unanimously approved the adoption of **Resolution #104-16** authorizing the filing of a PECO Green Region Grant to fund design and construction inspection fees for a stream daylighting project in Curtis Arboretum (see attached).
- e. Upon motion of Ms. Rappoport, the Board of Commissioners unanimously approved an amendment to the agreement with the Montgomery County Office of Aging & Adult Services and Suburban Transit Network, Inc. to continue TransNet service commencing January 1, 2017 through December 31, 2017.

Upon motion of Ms. Rappoport, the Board of Commissioners unanimously approved the Public Affairs Committee Regular Meeting minutes dated December 14, 2016.

Ms. Rappoport thanked volunteers and staff and wished them all a Happy Holiday and New Year.

12. Review and acceptance of the Finance Committee Regular Meeting minutes dated December 14, 2016.

- a. Upon motion of Mr. Norris, the Board of Commissioners unanimously approved the adoption of **Ordinance #2339-16** approving the 2017 Operating Budget (see attached).

Mr. Norris stated that the staff and Township Commissioners spend many hours reviewing the budget and doing the best job they can to minimize the need for tax increases. The Township has a \$42 million budget and the shortfall is being made up with the tax increase of 3.9%. Mr. Norris thanked the Director of Fiscal Affairs, Mr. Rangnow, and the Township Manager, Mr. Havir, for their exemplary work.

- b. Upon motion of Mr. Norris, the Board of Commissioners unanimously approved the adoption of **Ordinance #2340-16** approving the 2017 Capital Budget (see attached).

Mr. Norris stated the capital budget takes a great deal of work. This impacts the operating budget. A large portion of our budget is dedicated to fixing and maintaining the Township's sewer system.

- c. Upon motion of Mr. Norris, the Board of Commissioners unanimously accepted the 2017 Liquid Fuels Budget Allocation.

Upon motion of Mr. Norris, the Board of Commissioners unanimously approved the Finance Committee Regular Meeting minutes dated December 14, 2016.

13. Old Business: None.

14. New Business:

- a. Mr. Holland asked the Board to consider additional ways to recognize the many volunteers in the Township. Mr. Norris stated that our volunteers contribute so much to the Township and they save the Township a significant amount of money. Ms. Rappoport agreed that there are some creative ideas. It was a consensus of the Board to authorize Mr. Holland to work with staff determine if there are additional ways to acknowledge Township volunteers and citizen committees.
- b. **Allen Shaw, 311 Beecher Avenue**, asked about a time frame for the repaving of roads, particularly Church Road, after PECO or Aqua performs work. Mr. Fleming responded that it is contingent upon the weather and temperatures. Ms. Rappoport said that roads that the level of repair made to the roads is not a standard she would like to see in Cheltenham and urged the Township to pressure the utilities to leave the roads in better condition when in the "rough pave" condition.

- c. Daryl Bronzeill, 8245 Forrest Avenue, is a construction inspector and was inquiring if he could replace his own sanitary sewer lateral and if he needs a permit to do so. Mr. Bagley stated that a permit is required and that he is allowed to repair his own sewer lateral, provided he has the qualifications to do so. The Township will inspect his repairs.
- d. Upon motion of Mr. Simon, the Board of Commissioners unanimously provided its advice and consent on the appointment of Kelly Batiacila to the Civil Service Commission.

15. Citizens Forum: None.

Mr. Simon thanked everyone within Cheltenham Township for all their hard work in 2016, a year that has not been without difficulties. He looks forward to a great 2017.

16. There being no further business, Mr. Simon adjourned the meeting at 8:58 p.m.

## **B. Inspection of Sanitary Sewer Laterals**

- a. The Township may perform inspections to confirm the integrity of its sanitary Sewer system, including inspection by Video and Recording, and/or other inspection techniques. Such inspections will involve the Sanitary Sewer Laterals as well as the connection of Sanitary Sewer Laterals to the Sewer Main. The Township will provide written notice of an impending inspection of a Sanitary Sewer Lateral to the Owner, no less than fifteen (15) days prior to such inspection, by First Class Mail to the address set forth in Township records where local tax bills are sent. If the Township performs an inspection by Video and Recording of a portion of a Sanitary Sewer Lateral, the Township will provide the Owner with a copy of the inspection report as part of the second component of the two-part program referred to in the recitals of this Ordinance.
  
- b. An Owner who prefers to obtain their own Video and Recording of their Sanitary Sewer Lateral, or who objects to the proposed Video and Recording of their Sanitary Sewer Lateral by the Township, shall provide written notice to the Township of the preference and/or objection, setting forth their intention to do the Video and Recording themselves, which must be received by the Township within fifteen (15) days of the mailing of notice from the Township that the Owner's Sanitary Sewer Lateral will be inspected by Video and Recording and/or other inspection techniques. Such an Owner shall be responsible to have their Sanitary Sewer Lateral Videoed and Recorded at their sole cost and expense and shall provide an original recording of such Video and Recording to the Township Sewer Department, recorded and produced in strict accordance with the Regulations, within sixty (60) days of the mailing of such notice of preference and/or objection. If such Owner complies with this Subsection b. and the Regulations pertaining to Video and Recording, the Township will not Video and Record the applicable Sanitary Sewer Lateral of the Owner. If the Owner fails to comply strictly with the Regulations, additional Video and Recording shall be undertaken and completed by the Owner until the Video and Recording strictly complies with such Regulations in the exclusive determination of the Township Engineer. The Township Engineer's determination shall be based upon the Regulations pertaining to Video and Recording of same. An Owner who has provided written notice to the Township as provided herein that they prefer to obtain their own Video and Recording of their Sanitary Sewer Lateral, or who objects to the proposed Video and Recording of their Sanitary Sewer Lateral by the Township, but fails to comply with this Subsection b. after ten (10) days' written notice to so comply, mailed to the address described above, shall be deemed to have provided consent for the Video and Recording and inspection of their Sanitary Sewer Lateral by the Township, and the Township may thereafter perform such Video and Recording and inspection without further notice to the Owner.

### **C. Prohibition of Sources of Inflow**

A downspout, drain, water line, hose, or other connection which allows Extraneous Water to enter a Sanitary Sewer Lateral and/or the Sewer Main is prohibited, and shall be repaired and/or replaced so that the Extraneous Water can no longer enter the Sanitary Sewer Lateral and the Sewer Main. If the Township identifies the existence of such a prohibited connection and notifies the Owner, the Owner shall complete the repair or replacement to become compliant with this Subsection within sixty (60) days of such notice.

### **§238-14.3 Remedies**

- A. Remedies – Civil Penalty and Other Remedies.** The Township reserves the right to resolve any dispute between an Owner and the Township regarding enforcement of this Ordinance on terms other than those set forth in this Section by an agreement with the Owner. Any person who violates Subsection 238-14.2.C. of the Code, whether intentionally or through neglect or omission, shall, if judgment is entered against them, be responsible to pay a civil penalty not to exceed \$1,000 per violation, plus costs of suit and/or shall be subject to all other remedies available to the Township. Each day that a violation occurs shall constitute a separate violation.
- B. Remedies Cumulative.** The remedies set forth in this Subsection are cumulative and in addition to, not exclusive of or in substitution for, any other remedies, at law or equity, otherwise available to the Township.
- C. Civil Penalty Related to Violation of Section 238-14.2.B.b.** If an Owner who provides written notice of a preference or an objection to the Township under Subsection 238-14.2.B.b does not thereafter comply with that Subsection or the Regulations pertaining to Video and Recording, in addition to other penalties provided for herein, if judgment is entered against such Owner, then such Owner shall be responsible to pay a civil penalty of \$100 plus costs of suit and shall be subject to all other remedies available to the Township.

**Section 2. Severability.** The provisions of this Ordinance are intended to be severable, and if any section, sentence, clause, part or provision hereof shall be held illegal, invalid or unconstitutional by any court of competent jurisdiction, such decision of the court shall not affect or impair the remaining sections, sentences, clauses, parts or provisions of this Ordinance. It is hereby declared to be the intent of the Board that this Ordinance would have been adopted even if such illegal, invalid or unconstitutional section, sentence, clause, part or provision had not been included herein.

**Section 3. Failure to Enforce Not a Waiver.** The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

**Section 4. Repealer.** All Ordinances, or parts of Ordinances, of the Township which shall be inconsistent with this Ordinance shall be, and the same expressly are, repealed.

**Section 5. Effective Date.** This Ordinance shall become effective immediately upon enactment.

ENACTED AND ORDAINED, this 21<sup>st</sup> day of December A.D. 2016.

**TECHNICAL SPECIFICATIONS AND REGULATIONS  
FOR  
CLOSED CIRCUIT VIDEO RECORDING AND  
INSPECTION OF SEWER LATERALS**

**PART 1 - GENERAL**

**1.00 TERMS**

- A. The terms used herein shall have the same definitions as set forth in Cheltenham Township Ordinance No. 2336-16 unless defined otherwise herein.
- B. The Term “Contractor” shall mean each Contractor hired by an Owner to perform video recording of sewer laterals.
- C. The term “Sanitary Sewer Lateral” is sometime referred to herein as “lateral”.

**1.01 SCOPE**

- A. The Contractor shall furnish all materials, tools, labor, and equipment necessary to visually inspect the individual Sanitary Sewer Laterals by means of closed-circuit digital video recording (CCTV).
- B. The Contractor shall perform all CCTV inspections in full accordance with National Association of Sewer Service Companies (NASSCO) standards as follows:
  - 1. Lateral Assessment Certification Program (LACP) for inspection of laterals.
- C. The database shall be an unmodified NASSCO-PACP Certified Access Database.
- D. The CCTV Software shall be NASSCO-PACP certified.
- E. The Contractor shall submit a certification, under oath, that the video recorded and submitted to the Township Sewer Department is for the lateral identified in the data view display and labelled on the thumb drive (see Sections 1.02B.; 3.01 B.2 & e; 3.02 D.1 & 2; and 3.02 A.6 below).

**1.02 SUBMITTALS**

- A. The Contractor will submit printed reports containing the log sheets upon completion of the CCTV inspection that will include inspection results, time, date, pipe size, operator name, Sanitary Sewer Lateral inspection data, inspection findings, calibration reports for each camera used, NASSCO certificates for all operators, and other pertinent data for each location.

All inspection codes and reports shall adhere to NASSCO coding and report forms.

- B. The Contractor shall provide to the Owner, two (2) copies of the individual Sanitary Sewer Lateral inspection and associated report recorded on individual thumb drives. Each drive shall be labeled with the appropriate street address. Only one lateral inspection will be permitted per drive. The Owner shall provide to the Township one thumb drive with the Sanitary Sewer Lateral inspection and associated report recorded on the thumb drive.

### **1.03 REVIEW**

- A. The video recordings, photographs, and data shall be reviewed by the Township for focus, lighting, clarity of view, and technical quality. Failure to adequately maintain focus, lighting, clarity of view and/or technical quality will result in the rejection of the video and/or photographs by the Township.
- B. Videos or photographs recorded while a camera has flipped over in the process of traveling or the viewing of laterals, obstructions, or defects are blocked by cables, skids or other equipment will not be accepted.
- C. Shape, focus, proper lighting, and clear, distortion-free viewing during the camera operations shall be maintained. Failure to maintain these conditions will result in the rejection of the video and/or photographs by the Township.
- D. Videos or photographs recorded showing steam, inadequate lighting, or other poor image quality will be cause for rejection by the Township.
- E. Any reach of Sanitary Sewer Lateral where recording quality, inspection, and/or report is not acceptable according to these Specifications shall be re-televised at no cost to the Township.

### **1.04 CONTRACTOR REQUIRED QUALIFICATIONS:**

- A. Each operator performing CCTV inspection shall have a minimum of five years' experience in CCTV video inspection of sewer laterals. In addition, each Contractor shall provide a list of at least three customers who have had similar work completed by the same Contractor.
- B. Each Contractor performing CCTV inspection shall be registered with the Township.

## **1.05 QUALITY ASSURANCE**

- A. Each Contractor's operators, technicians, and foremen performing a CCTV inspection shall be NASSCO-certified in Lateral Assessment Certification Program (LACP) for inspection of laterals.
- B. Each Contractor shall furnish current, up-to-date copies of Certificates of Completion in the above-identified program for each operator/technician and foreman performing a CCTV inspection. Certification numbers for each operator/technician and foreman performing the CCTV video inspections shall be furnished.
- C. Operators, technicians, and foremen performing a CCTV inspection found not to have up to date certification in the above program will not be permitted to conduct any CCTV or other inspections until the proper certificates are provided to and approved by the Engineer.

## **PART 2 – PRODUCTS**

### **2.01 MATERIALS**

- A. Software Requirements
  - 1. Each Contractor shall use NASSCO-certified software and follow LACP for sewer laterals and furnish evidence to the Township of said certification.
  - 2. Each Contractor shall record video in MPEG1/PPEG2 format.
  - 3. Recordings of all Sanitary Sewer Lateral inspections shall be made on high quality, color DVD format. The audio portion of the composite digital video shall be sufficiently free from electrical interference and background noise to provide complete intelligibility of the oral report. Video media shall be protected against over-writing.

### **2.02 EQUIPMENT**

- A. The television camera used for the Sanitary Sewer Lateral inspection shall be one specifically designed and constructed for such application. Lighting for the camera shall be suitable to allow a clear picture for the entire periphery of the pipe. The camera shall be intrinsically safe and operative in 100 percent humidity conditions. Minimum color video camera resolution shall be 470 horizontal lines. Camera lens shall have a minimum 140 degree viewing angle with automatic or remote focus and iris control. Focal distance shall be adjustable through a range from 6 inches to infinity. Picture quality and definition shall be to the satisfaction of the Engineer and, if unsatisfactory, equipment shall be removed and no payment made for the unsatisfactory inspection. The camera head shall be pan-

and-tilt type with the ability to rotate 360° to view the entire internal circumference of the pipe. The inspection will provide full view of at least 80% of the pipe internal diameter.

The camera assembly shall be equipped with a lateral inspection system camera capable of video inspecting four (4) and six (6) inch service laterals, making the transition (jump) from four (4) and six (6) inch service laterals, and shall be the self-leveling type.

- B. A footage counter device, which measures the distance traveled by the camera in the sewer, shall be accurate to within 0.2 foot.

### **PART 3 - EXECUTION**

#### **3.01 INSPECTION**

- A. Operator narration shall follow NASSCO standards. Each Contractor shall record defects using standard NASSCO nomenclature.
- B. Each Contractor shall include data view display showing the following information, where applicable:
  - 1. Property owner's name.
  - 2. Location (Township, street, state).
  - 3. Lateral address and length of lateral segment, pipe size, and pipe material.
  - 4. Date and Time.
  - 5. Weather conditions.
  - 6. Contractor's name.
  - 7. Inside pipe diameter and pipe material.
  - 8. On-going footage counter.
  - 9. High resolution still pictures.
  - 10. Direction of CCTV (from property line or from mainline connection).
  - 11. Operator narration.
- C. Each Contractor shall clearly label each DVD.

### 3.02 CCTV INSPECTION SURVEY

#### A. Lateral CCTV Procedure

Each Contractor shall:

1. conduct operations to prevent backups and sewer overflows;
2. be responsible for cleanup, repair, fines, property damage costs and claims for any sewage backup, bypass spillage or sanitary sewer overflow;
3. isolate each section inspected;
4. prevent backflow into laterals;
5. identify inspection by building address and sewer main segment;
6. if a lateral services two addresses, identify both addresses; and
7. inspect private portion of lateral, that portion from edge of cart-way to house, building, structure, etc. Should any blockage prevent the inspection to continue to the house, building, structure, etc., the blockage must be cleared and the inspection completed.

#### B. Operation

Each Contractor shall:

1. record section of sewer in its entirety with no breaks or interruptions;
2. move through line at speed no greater than 30 feet per minute stopping for minimum 10 seconds to record defects, and features and points of interest;
3. maintain technical quality, sharp focus, and distortion free picture;
4. pan, tilt, and rotate as necessary to best view and evaluate lateral defects, features, and points of interest;
5. measure location of defects and service laterals;
6. move camera through lateral at uniform rate from mainline to structure; and
7. stop at each suspected defect in lateral to allow adequate evaluation.

C. Defects

Each Contractor shall:

1. if roots, sludge, or sediment material impedes inspection, withdraw camera and re-clean lateral; and
2. upon completion of re-cleaning operation resume internal inspection.

**RESOLUTION NO. 101-16**

**SSBS PROPERTIES – 546-552 TOWNSHIP LINE ROAD  
PRELIMINARY / FINAL SUBDIVISION APPROVAL**

**WHEREAS, SSBS Properties, LLC ("Developer")** is the owner and developer of a parcel having a total area of 0.69± acres situate in Cheltenham Township with located between Cottman Avenue (S.R. 0073) and Jefferson Avenue, west of Grove Avenue (the "Property"); and

**WHEREAS,** the Property is currently occupied by an automotive repair business as well as an existing dwelling; and

**WHEREAS,** the majority of the Property is zoned as C-3 Commercial and Business Zoning District, with a small portion located within the R-8 Residence Zoning District; and

**WHEREAS,** the Developer proposes to subdivide the site into two parcels along the existing zoning boundary with Lot 1 (0.52 acres) to be located within the C-3 District currently occupied by the automotive repair business with associated parking and Lot 2 (0.17 acres) to be located within the R-8 District (the "Development"); and

**WHEREAS,** the Development is more particularly shown on the following, which shall hereinafter be referred to as the "Plan":

- Preliminary/Final Subdivision Plan (1 sheet) dated March 23, 2014, last revised November 4, 2016; and

**WHEREAS,** no improvements are proposed in connection with this Development; and

**WHEREAS,** the Developer desires to obtain preliminary/final subdivision approval of the Plan from Cheltenham Township in accordance with Section 508 of the Pennsylvania Municipalities Planning Code.

**NOW, THEREFORE, BE IT RESOLVED** that Cheltenham Township hereby grants preliminary/final approval of the subdivision as shown on the Plan described herein subject, however, to the following conditions:

1. At this time, the Cheltenham Township Board of Commissions waives strict compliance with the following provisions of the Cheltenham Township Subdivision and Land Development Ordinance:

a. Section 260-32.A, requiring an environmental impact study in accordance with the requirements of Section 260-30;

b. Section 260-32.D.(2), requiring certain existing features within four hundred (400) feet of the Property to be shown on the plan. A partial waiver is granted. In lieu of the

requirements of these sections, Developer has agreed to add an aerial photograph to the Plan to depict the existing features within 400 feet of the Property;

c. Section 260-32.D.(4), requiring the location, size and ownership of all underground utilities and any rights-of-way within the property must be provided on the Plan; Developer has agreed to depict the existing water and sewer utilities on the plan;

d. Section 260-32.D.(5) and (7), requiring topography within and adjacent to the property for a minimum distance of four (400) hundred feet; and

e. Section 260-32.F. which states that whenever a lot or a parcel of ground is subdivided so that existing structures may be separately owned, the Board may waive the filing of a preliminary plan.

2. Prior to the recording of the Plan, the Developer shall revise the Plan to resolve to the satisfaction of the Township, all issues set forth in the Township Engineer's review letter dated November 22, 2016, the entire contents of which are incorporated herein by reference, and a true and correct copy of which is attached hereto as Exhibit "A".

3. Prior to recording the Plan, Developer shall provide the Township with all required approvals from any outside agencies having jurisdiction over the Development, if any, including, but not limited to, approval from the Pennsylvania Department of Transportation, the Montgomery County Roads and Bridges Department, the Pennsylvania Department of Environmental Protection, and the Montgomery County Conservation District.

4. The cost of accomplishing, satisfying and meeting all of the terms and conditions and requirements of the Plan, notes to the Plan, this Preliminary/Final Approval Resolution, and the costs of recording the Plan shall be borne entirely by the Developer and shall be at no cost to the Township.

5. Under the provisions of the Pennsylvania Municipalities Planning Code, the Developer has the right to accept or reject conditions imposed by the Board of Commissioners upon preliminary/final approval. In the absence of an appeal or a notice of rejection filed in writing within thirty (30) days from the date of this Resolution, the conditions set forth herein shall be deemed to have been accepted by the Developer. If the Township receives written notice of an appeal or rejection of any of the conditions set forth herein within thirty (30) days from the date of this Resolution, this approval and the waivers granted in Paragraph 1 (which waivers are granted contingent upon the acceptance of the conditions set forth herein) shall be deemed to be automatically rescinded and revoked and the application shall be considered denied based upon the failure to fully comply with all of the sections set forth in Paragraphs 1, all as authorized by Section 508 of the Pennsylvania Municipalities Planning Code.

PROJECT (BRC-TAG-17-5) FOR THE CURTIS  
ARBORETUM CONSERVATION AND LANDSCAPE  
MANAGEMENT PLAN**

---

**WHEREAS**, Cheltenham Township, Montgomery County, Pennsylvania, has prepared a Conservation and Landscape Management Plan (Plan) for Curtis Arboretum: and

**WHEREAS**, the purpose of the Plan is to:

1. Develop the long-term plan for the design and historic rehabilitation of the Curtis Arboretum and overall site.
2. Develop long-term property management strategies to preserve the historic and natural resources.
3. Innovate recreational and/or educational activities.
4. Document the historic landscapes and pursue designation as a Historic American Landscape Survey (HALS) site according to the National Park Service standards; and

**WHEREAS**, the Plan was financed in part by a Community Conservation Partnerships Program Grant under the administration of the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation and Conservation, under contract number BRC-TAG-17-5.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Commissioners of Cheltenham Township that:

1. The project was completed in accordance with the Grant Agreement.
2. All project expenditures have been made and were in accordance with the Grant Agreement.
3. The Plan and related materials are acceptable to Cheltenham Township.

4. The Plan and related materials will be used to guide future recreation and conservation decisions.

**IN WITNESS WHEREOF**, the Board of Commissioners of the Township of Cheltenham, County of Montgomery, Commonwealth of Pennsylvania, has adopted and enacted this Resolution at its public meeting held at Curtis Hall, 1250 West Church Road, Wyncote, Pennsylvania, 19095, under my hand and the Seal of the Township of Cheltenham, this 21<sup>st</sup> day of **December, A.D., 2016**, in the year of the Township of Cheltenham the one hundred seventeenth.

TOWNSHIP ADMINISTRATION TO PURSUE STATE  
TRANSPORTATION GRANT UNDER THE MULTIMODAL  
TRANSPORTATION FUND TO SUPPORT THE  
IMPLEMENTATION OF TRANSPORTATION AND  
PEDESTRIAN IMPROVEMENTS IN THE ELKINS PARK  
EAST COMMERCIAL DISTRICT**

---

**WHEREAS**, the Township of Cheltenham, Montgomery County, desires to apply for state funding from the Pennsylvania Department of Transportation Multimodal Transportation Fund (MTF) to financially aid in the Township's implementation of transportation and pedestrian improvements in the Elkins Park East Commercial District; and

**WHEREAS**, Cheltenham Township completed a Commercial District Enhancement Plan for the Elkins Park East Commercial District in 2000, which outlines a vision and implementation plan for economic development, transportation improvements and streetscape enhancements; and

**WHEREAS**, Cheltenham Township engaged engineers and planners to design transportation and pedestrian improvements in the Elkins Park East Commercial District; and

**WHEREAS**, Cheltenham Township desires to enhance the Elkins Park East Commercial District on Montgomery Avenue, Harrison Avenue, Park Avenue and High School Road; and

**WHEREAS**, the proposed enhancements to the Elkins Park East Commercial District will address the state's multimodal and smart transportation policies and initiatives by integrating land use and transportation decisions to improve the Township's commercial district of Elkins Park East by providing safe and reliable transportation options, traffic calming measures, enhanced pedestrian access and bicycle connections to public transit facilities, pedestrian safety and physical site improvements that require the removal of barriers to ADA, and way-finding signage to benefit economic growth and stabilization, both of the commercial core and the surrounding neighborhood that primarily support revitalization of the business district.

**NOW THEREFORE BE IT RESOLVED**, that the Board of Commissioners of Cheltenham Township, Montgomery County, Pennsylvania, desires to file a FY 2016-17 MTF application to secure funds in an amount up to \$1,454,712 based on the total project cost of \$2,325,461 per the attached Project Budget for the purpose of installing a variety of streetscape

and traffic calming improvements in the Elkins Park East Commercial District on Montgomery Avenue, Harrison Avenue, Park Avenue and High School Road, and will be used for the construction of such elements as pedestrian sidewalk and curb improvements, ADA compliant curb cuts, ramps planters, benches, ornamental street lighting, bollards, pedestrian crosswalks, and other traffic calming improvements, and other vital amenities and visual elements, which are part of the Cheltenham Township Commercial District Enhancement Plan and Comprehensive Plan of Cheltenham Township.

**BE IT FURTHER RESOLVED**, that the Board of Commissioners of Cheltenham Township, Montgomery County does hereby designate the President of the Board of Commissioners and the Township Manager/Secretary as the officials to execute all documents and agreements between Cheltenham Township and the Pennsylvania Department of Transportation to facilitate and assist in obtaining the requested grant.

**BE IT FURTHER RESOLVED**, that the Township of Cheltenham will commit to the 30% match of \$870,749 out of its capital fund as its local share of the project costs.

**I HEREBY CERTIFY** that the foregoing Resolution was adopted by the Board of Commissioners of Cheltenham Township, Montgomery County, Pennsylvania, at its public meeting held at Curtis Hall, 1250 West Church Road, Wyncote, Pennsylvania, 19095, under my hand and the Seal of the Township of Cheltenham, this twenty-first day of December, A.D., 2016, in the year of the Township of Cheltenham the one hundred seventeenth.
