3. *Application L21-267 of Applicant Joo Yeop Song (Andy) property owner and representing 1330 Willow Avenue Association, LLC (H Mart) for the property 1330 Willow Avenue, Elkins Park, PA 19027 for the installation of a commercial grade four (4) foot high ornamental ovation black fence with two (2) gates, twenty-five (25) feet in width to surround this entire property.*

The property owner was present for the discussion. It was determined that both gates will provide entrance and exit from Willow Avenue. All posts for this fence will be encased in concrete. Upon further discussion, Mr. Song stated that there would be no access to H Mart from the 1330 Willow Avenue property. The main purpose of the proposed fence is to eliminate the illegal parking on the property and to prevent trespassing.

Mr. Hinchcliff made the motion to recommend approval of this application and the Committee approved unanimously.

**Recommendation to the Public Works Committee:** Upon motion of Mr. Hinchcliff, the La Mott BHAR recommended approval of a Certificate of Appropriateness for Application L21-267 of Joo Yeop Song (Andy) property owner and representing 1330 Willow Avenue Association, LLC (H Mart) for the property 1330 Willow Avenue, Elkins Park, PA 19027 for the installation of a commercial grade four (4) foot high ornamental ovation black fence with two (2) gates, twenty-five (25) feet in width to surround this entire property.

4. *Application L21-268 of Applicant Timothy Riley, representing Ms. Jeannette Robinson, property owner of 1800 Chelsea Road, Elkins Park, PA 19027 for replacement of four (4) exterior doors with white framed screen doors.*

The property owner was represented by their consulting contractor Mr. Mike Angell, who presented the applicant's proposed door replacement choices. He stated that the present doors were wood and that the applicant preferred metal replacement doors because it would not deteriorate the way the present doors had. The proposed 30-gauge aluminum doors are five-star rated for safety and energy efficiency. The basement door will be solid with only an "eye-hole" instead of windows, for added security.

Mr. Hinchcliff made the motion to recommend approval of this application and the Committee approved unanimously.

**Recommendation to the Public Works Committee:** Upon motion of Mr. Hinchcliff, the La Mott BHAR recommended approval of a Certificate of Appropriateness for Application L21-268 of Timothy Riley, representing Ms. Jeannette Robinson, property owner of 1800 Chelsea Road, Elkins Park, PA 19027 for replacement of four (4) exterior doors with white framed screen doors.
