Online Registration

Before you can register for a program you must create an account and have it approved by Parks & Recreation Staff. Approval may take three business days to be approved. Create your account early so you will be ready to register when registration begins. Proof of residency and/or guardianship of children will be required before accounts can be approved. The approval process only needs to be completed once unless you want to add new family members or make an address change and this must be approved by one of the Parks & Recreation offices. If you registered for Pool Memberships in 2018 or 2019 your account may not require additional documentation as you would have shown it at the time you registered for the pool membership.

Registration Guidelines

1. Township residents have priority for all programs. Non-residents are eligible at higher fees, as indicated by the "NR" amounts.
2. Register in person or online; registrations are not accepted by telephone, mail or email.
3. Refunds or adjustments will not be made for missed classes or for individuals who discontinue a class.
4. Refunds will be issued if a program is canceled or the class is full.
5. No refunds will be made in cases of falsified information.
6. **An extra \$10 fee will be charged for all late registrations.**
7. Please remember, separate checks are required for swim lessons.
8. Credit card payments have a convenience fee of 2.65% and are only accepted online.

Proxy Registration Policy

Someone other than a parent – a proxy – will be allowed to register a child for a program, **providing all of the following conditions are met:**

1. The parent must complete and sign a registration form in front of a Parks and Recreation staff member at one of our community centers during the week preceding the first registration day. The signed form can then be given to the proxy for registration and must be accompanied by the correct registration fee.
2. Proxies may register children from only one family besides their own.
3. A child registered by proxy must have a completed registration form for each class.
4. The proxy must wait in the regular registration lines to register the child. If the class reaches maximum capacity before the proxy can register the child, the child will not be allowed in that particular class. The proxy will not be allowed to register the child in another program/class without the parent's prior written consent for that program/class. Therefore, parents should consider completing more than one consent form.
5. If any of the previous guidelines are violated, the registration by proxy will not be allowed.

Winter Class Closings (School Closing #306)

When Cheltenham public schools close due to holidays, or inclement weather, programs and classes will not be held. Check our website: www.CheltenhamTownship.org, watch Comcast Channel 42 or Verizon Channel 1960, or listen to KYW radio. Postponed classes will be made up at the end of the program.

Special Needs

Any Township resident with a disability wishing to attend a Township-sponsored program who is in need of an accommodation to access a Township building in order to participate in such program shall contact the Department of Parks and Recreation at 215-887-6200, ext 227 at least 72 business hours prior to the commencement of the program. Cheltenham Township is committed to providing equal access to Township-sponsored programs to all residents.

Cheltenham Township does not ordinarily provide vehicular transportation for persons of special needs to and from programs unless otherwise specified as part of a specific program. It is the Township's policy that when vehicular transportation is provided by the Township as part of a specific program, the expenses for the transportation must be offset 100% by the program fees collected.

Cheltenham Township cannot provide refunds of program fees for time missed due to a change in plans, family vacation or a child's illness. Cheltenham Township does not prorate for any of its programs. Cheltenham Township staff do not disburse or handle prescription or over-the-counter medication and are not trained to care for special needs children.

Tell Us

Ideas, problems or suggestions are always welcomed by the Parks and Recreation Department. If you would like to suggest new courses, discuss current programs or report problems, contact Brian Hinson, Director of Parks and Recreation, at 215-887-6200, ext. 227 or bhinson@cheltenham-township.org.

Don't forget to create your online account early to make sure there's time for it to be approved so when it comes time for pool registration you'll be able to quickly and easily log in and purchase your family pool membership instead of going to register in person.

If this is your first time registering the process may 3 business days or longer due to the need to verify everyone in your household. This will only need to be done once unless you move or want to add additional people to your account. Once approved you will be able to register for the Parks and Recreation Programs available online.
