

**September 27, 2010
Township Building**

The Planning Commission ("PC") meeting was held tonight at the Township Administration Building. The following Planning Commission members were present: Messrs. Goldfarb, Leighton, Gordon, Cohen, and Cross. Also present were ex-officio member Scott Laughlin, and Carmen G. Reitano, Assistant Director of Engineering, Zoning & Inspections.

1. Acceptance of the minutes of the August 23, 2010 Meeting.

Mr. Harrower submitted the following corrections to the minutes via email correspondence to Holly Nagy on September 27, 2010.

- p. 2 – Appeal No. 3380: It is stated "Mr. Harrower made a motion of no action"; I am not a voting member and thus do not make motions. Please review and substitute the correct person who made the motion.
- P. 6 – Appeal No. 3381: It is stated, "Mr. Lichtman discussed a two-level building which was all cleaned out." This is unclear to me. I think it is a reference to the two-level garage building that was demolished except for its foundations, and will be rebuilt; therefore I suggest substituting, "Mr. Lichtman indicated that the existing garage is to be rebuilt and is to be used for either storage, or may be considered for a student activity space."
- P. 7 – Appeal No. 3381: It is stated, "A fire pit was also suggested to be added for student assemblies or rallies by the commission." I don't recall discussion of a fire pit, but question whether it was – or would have been – suggested by the [Planning] Commission. I would recommend deleting, "...by the commission."
- P. 8 – Appeal No. 3381: It is stated, "Mr. Harrower requested a traffic overlay template be used to illustrate how traffic patterns will be established for this project." I would revise this to read, "Mr. Harrower requested that the turning radius be reviewed for the trucks getting onto and off of the site at the Church Road and Waverly Road intersection."

Mr. Goldfarb made a Motion to approve; Mr. Gordon seconded the Motion; the Motion passed.

2. Review of Zoning Hearing Board Agenda for October 14, 2010.

**4. Review of Cheltenham Township Land Development Application No. 10-0610: Record Plan 7301
Old York Road Site Improvements.**

Mr. Harold Lichtman was present to discuss this application. Mr. Lichtman stated that the location was a former real estate office and obtained zoning to become a bank. Mr. Lichtman stated that this project was given the approval by STAC at the September 23, 2010 STAC meeting. Mr. Lichtman also stated that the Commissioners requested the drive-thru for the proposed bank be removed.

Mr. Lichtman noted that there is less impervious surface than before and the entrance, parking and building are remaining the same, and it is inside renovations that are being done. Mr. Lichtman confirmed that the variances needed for the project were for signage and zoning. Mr. Reitano confirmed that this was already obtained.

Mr. Reitano also noted that the remaining piece needed for this application was Mr. Lynch's Stormwater Management Report.

Mr. Goldfarb made a motion of no action; Mr. Gordon seconded the motion; the motion passed.

5. New Business

Mr. Reitano presented the draft Ordinance Chapter 295, Article XXLX relating to a prohibition against certain outdoor storage and or display of appliances, equipment, household furnishing and stock in Commercial Zoning Districts.

Mr. Cross stated that this was already in front of the Planning Commission once before and that the Township doesn't have much say if the things are on private property and do not obstruct the 48" sidewalk.

Ms. Betty Cataldi expressed her concern regarding the New Vision Thrift Store which is located next to her house. She stated that the "junk" they have displayed is unattractive and is an eye-sore. Ms. Cataldi expressed concern about the safety of her property and well being due to thieves stealing the furniture and appliances that are left outside of the New Vision Thrift Store Property.

Mr. Laughlin questioned if the Ordinance could cover things on personal property.

Mr. Laughlin questioned if the Ordinance has a penalty listed. Mr. Reitano confirms that it hasn't been decided on yet.
