Memorandum

To: Public Safety Committee
CC: D. Kraynik; J. O'Neill
From: E. J. Stuckert, Fire Board Executive Secretary
Date: 5/24/11
Re: Recommendations for all Companies in the Cheltenham Fire Department.

Several meetings and follow-up conversations with both Fire Board and the Fire Company Chiefs were held at various times over the past months. A list of recommendations to be fulfilled by the companies within the Cheltenham Fire Department was agreed upon by the majority of the attendees. It is requested that the Public Safety Committee consider endorsing these recommendations as requirements at the June meeting.

The recommendations, if endorsed as requirements by the Public Safety Committee, would better ensure that the firefighter and officer training requirements adopted by the Fire Board are being met and further provide for written policies to address potential voids in the existing adopted policies. These recommendations are as follows:

1. All officers that were in their elected or appointed positions in October of 2009 must meet the minimum training requirements for their position by December 31, 2011. This timeframe was set forth in the officer training requirements policy passed by Fireboard in October of 2009.
2. All members, which are part of the company and allowed to respond when dispatched to emergency calls, must successfully attain the Hazardous Materials Operations Training by September 1, 2011. This will not include Junior Firefighters and those members with less than 18 months in the department that are still working to attain the minimum training as set forth by Fireboard in a policy dated October 2010.
3. All members, which are part of the company and allowed to respond when dispatched to emergency calls, must successfully complete the NIMS 100 and 700 courses. All officers must meet the NIMS requirements for their elected or appointed position. This must be met by July 31, 2011.
4. Each company shall provide a written policy that outlines the procedures the company follows for investigating any complaint made against a member including driving complaints. This must be met by July 31, 2011.
5. Each company shall provide documentation of officer meetings held from January 1, 2011 to June 30, 2011. This documentation should include the officers in attendance as well as an outline of what has been discussed. It should also show a regular schedule for future officer meetings. This must be met by July 31, 2011.
6. Each company shall provide a list of all crew personnel with the year they joined as well as their current training to meet the requirements set forth by Fireboard. This must be met by July 31, 2011.

May 25, 2011

7. Fire Board should create a policy or guideline outlining the minimum requirements for all apparatus drivers of the Cheltenham Township Fire Department to be adopted by the Fire Board no later than the October 2011 meeting.
8. Fire Board should create a policy and/or definition of the minimum standards or requirements that must be met to be considered an Active Firefighter within the Cheltenham Township Fire Department to be adopted by the Fire Board no later than the October 2011 meeting.

It is further recommended that the Public Safety Committee endorse and require the recommendations within the timeframes stipulated.

Emergency 911

June 1, 2010

The Public Safety Committee
The Board of Commissioners
C/O David G. Kraynik, Township Manager
8230 Old York Road
Elkins Park, PA 19027

Dear David,

Attached please find our Operational Report for May of 2011, our financial, detail and statistical report for April of 2011.

The new ambulance was received last month, but has not yet been placed in service. After being returned to the vendor for a "punch list" of items to be repaired or replaced we hoped it would be ready for service. Upon trying to title the vehicle we learned that the vendor failed to provide us with the correct paperwork. This problem was rectified at the end of the month, and hopefully will be placed in service by mid-June.

The EMS staff participated in several events during EMS week 2011 (May 15th – 21st). These events included:

- Monday May 16th – Myself and Assistant Chief Smaltini participated in a County wide press conference at the Montgomery County Public Safety Academy. This event was well attended by EMS Services, Legislators, and others. Several articles appeared in local newspapers.
- Tuesday May 17th – Several of us attended an open house for EMS providers at Elkins Park Hospital. The staff of the hospital honored Charles "Chuck" Fluehr for his dedication to EMS.
- Wednesday May 18th – In conjunction with other EMS service around the County, we held an open house at our building from 2:00 – 7:00PM. This event was not well attended in Cheltenham or at the other services around the County. We will look for a different time and/or venue in 2012.

As noted in last month's report, Paramedics, Nathan Wass, will be activated for military duty during June. Paramedic Wass had been appointed as our Engineer to replace Charles "Chuck" Fluehr on 1/1/11. Showing his continued dedication to EMS, Mr. Fluehr has agreed to resume his engineer's position during Paramedic Wass's deployment.

If you have any questions please don't hesitate to contact me.

Sincerely,

Kenneth C. Hellendall, Director
